ALL40245
ALL40246

Black Filter Housings - Without Element

The same features and benefits as Allstar's standard inline filters but with a black anodized finish. Light-weight aluminum construction provides easy inspection and excellent fuel flow. Housing assemblies are 8" long and do not come with a filter element, sold separately. Select a 10 micron paper element or a 63 micron stainless element to complete the application.

Part No.	Description
ALL40244.....	-8 ends
ALL40245.....	-10 ends
ALL40246.....	-12 ends

Replacement Parts:
